WORK EXPERIENCE

- Project: Counselling Management System for AICTE** Sep. 2023 : Dec. 2023
Developed and implemented an Online Counseling Website for AICTE under the guidance of the Head of Department at Mr. Ganesh Singh Engineering College, Bikaner. This initiative aimed to enhance and streamline the counseling process for students and educational institutions. The website provided a user-friendly platform for counseling sessions, resource sharing, and information dissemination.
- Project: Photography Studio Website** Jan. 2024 : Now
Developed a dynamic and visually appealing website for a local photography studio, enhancing their online presence and client engagement. Implemented modern web development technologies to create a user-friendly and responsive platform.

PERSONAL PROJECTS

Personal Portfolio

Crafted and developed a personal portfolio website to exhibit a diverse array of projects, showcasing expertise in web development and design. The website acts as a centralized platform for prospective clients and employers to explore my skills, experience, and creative ventures.

Tech Addict Gaurav

Developed a dedicated code learning platform aligned with the "Tech Addict Gaurav" brand, complementing the associated Instagram page. The platform aims to provide a valuable resource for code enthusiasts, offering tutorials, practical exercises, and a community hub for discussions and collaboration.

Amazon Home Page Clone

Designed and developed a fully functional clone of the Amazon homepage, demonstrating proficiency in web development and user interface design. The project aimed to replicate the core features and visual elements of the Amazon website

EXTRACURRICULAR

Instagram Page Management - Tech Addict Gaurav

Actively manage and curate content for the Tech Addict Gaurav Instagram page, a platform dedicated to sharing technology insights, coding tips, and engaging with a community of tech enthusiasts. Develop and implement content strategies, interact with followers, and foster a dynamic and interactive online community.
